In the annual report for the financial year 2009-10, which was dispatched to the shareholder of the Company on June 28, 2010, certain errors have been noticed in the printed versions of the Notice in page nos. 114-116. The Sl No. 10 (Accounting Method) of the tables describing the salient features of the ESOP Plans of the Company, which are to be tabled for the approval of the shareholder at the meeting to be held on July 24, 2010, are to be read as "*Intrinsic Value. The updated version of the Annual Report is available at the website of the company www.onmobile.com. The errors are regretted.
